

Why MIMO?

MIMO UM-760 Series is a 7 inch USB-powered monitor with the ultra-coolest form factor; slim, sleek, foldable and highly portable adding more useful desktop space with USB plug-n-play devices. The integrated base-stand protects the TFT LCD screen from scratches when closed and the screen can be rotated to display in landscape and or portrait modes. UM-760 weighs less than a pound and measures less than an inch thick when folded. All power and data provided by a single USB cord.

MODEL

UM-760 : Mobile Slider USB Monitor

UM-760C: Mobile Slider, Projected Capacitive Touchscreen USB monitor
